This Warranty will cover your vehicle while it is outside the United Kingdom in Europe for up to 60 days during the period of warranty:

You will be required to pay the full cost of repair on completion and should submit a claim for reimbursement to us upon your return to the UK.

Before authorising any such repair please see details in the section 'How to Make a Claim'.

Servicing Requirements

It is a condition of this Warranty that your vehicle is serviced in accordance with the manufacturer's guidelines.

Throughout the warranty period a franchised Land Rover dealer or other reputable garage should carry out all servicing and repair work.

Services must be carried out within 500 miles/one month of the intervals specified by the vehicle manufacturer, whichever comes first.

How to Make a Claim

At Land Rover Approved Warranty Administration we aim to make the claims procedure as simple as possible.

Repairs in the UK

Should it be necessary to make a claim under the terms of this Warranty, simply return your vehicle to your supplying Land Rover dealer or any other Land Rover dealer. They will confirm whether the claim and your Warranty are valid and will administer the claim on your behalf.

In the event of you being unable to attend a Land Rover dealer, please contact the Administrator's claims department on 0870 752 7055 for approval before any repair takes place. (Your repairer may undertake this for you.)

Repairs in Europe

If it is necessary for repair on your vehicle to be completed in Europe you will not require authorisation from us. In the event that the fault is covered by this Warranty we will reimburse the cost of repair following your return to the UK.

In this event please contact our Customer Services Department on 0870 752 7055 for instructions how to proceed. If your claim is valid, you will be reimbursed in pounds sterling at the prevailing rate of exchange on the date the repair was completed.

If you need to contact Land Rover Approved Warranty Administration while you are abroad, please telephone 0044 1274 260155.

The maximum we will pay is the equivalent UK rate for labour charges and manufacturers list prices for parts at the date of your repair.

All Warranty claims invoices and associated correspondence should be made out to Land Rover UK and sent to:

Land Rover Approved Warranty Administration
Claims Department
Jubilee House
5 Mid Point Business Park

On receipt of the invoice, the claim will be settled subject to the terms and conditions of this Warranty having been adhered to. If a balance is due, this is to be paid direct to the repairer by the customer.

Note: No payment can be made until the relevant invoice(s) has been received and approved by the Administrator.

To ensure that you receive the highest level of service, all telephone calls made to the Administrator's claims office are recorded.

Please note that the above procedure is in addition to your statutory rights as a consumer.

A Land Rover dealer or other reputable garage should carry out the service, and receipts retained as Land Rover Approved Warranty Administration are entitled to check the service record in the event of a claim.
